

THREE DAYS LATER FROM EUROPE.

ARRIVAL OF THE CANADA AT HALIFAX.

By the Atlantic Telegraph Co's Line, 21 Wall-st. N. Y.

The Royal Mail steamship Canada, Capt. Lang, from Liverpool at 8 o'clock on Saturday, Oct. 25, arrived at this port on Friday morning. She brings London evening papers of Oct. 24.

The Collins steamship Baltic, from New-York Oct. 11, arrived at Liverpool at 7 p.m. on Wednesday the 22d ult.

The screw-steamship Kangaroo, with 200 passengers for Philadelphia, sailed from Liverpool at 3 o'clock p.m. on the 22d ult.

The steamship Fulton, from Havre for New-York, sailed from Southampton early on the morning of the 23d ult., with 200 passengers and a full general cargo.

The Canadian screw-steamship Indian arrived at Liverpool on the morning of the 22d ult.

The steamer Fulton carried out to New-York a brief manifesto from the Paris Monitor on the subject of Neapolitan affairs.

The Monitor says that when the Congress of Paris broke up, the Great Powers saw elements fraught with danger to peace in Belgium, Greece and Naples. That of these States Naples alone refused to accept friendly advice, and that in consequence the Western Powers will cease to hold diplomatic intercourse with her.

The article of the Monitor is the only authentic glimpse the public have yet had of what is going on. The British fleet is somewhere in the Mediterranean, and the French ships continue at Toulon ready for sea.

Mention the dispatches are contradictory, while one statement says the Ministers will not leave Naples for some months, another asserts that Baron Brenner, the French Envoy, has announced to the Neapolitan Government that if he did not receive a satisfactory communication within two hours, he would present his last instructions—said instructions being doubtless to demand his passports.

The statement that the Emperor of Russia has urged the King of Naples to avoid a rupture by making some concessions, seems to be confirmed by numerous communications in the Continental papers.

The Cologne Gazette and the Independence Belge (two generally reliable sources) express themselves very positively on the subject.

The advice of the Emperor, it seems, was that King Ferdinand should change some of his Ministers, and place Prince Saturno at the head of the Government.

While warning him against the ill-will of England, the Emperor is further represented as having recommended to the King to trust to the moderation of the Emperor of France, and to accept him as a mediator.

The Austrian Gazette has received a communication from Naples to the effect that King Ferdinand, to show his conciliatory disposition, will not recall his representatives in Paris and London in consequence of the recall of the French and English Ambassadors in Naples. They will only leave these capitals in case their passports are sent to them. The only authority for this statement is the Austrian organ, which also professes to be able to say what the demands of the British Government really are—which are considered to be as follows: First, a change of Ministry; second, abolition of the present Police system; and third, a general amnesty.

On the same authority it may be stated that the French Cabinet would be satisfied if a general amnesty were granted.

The hopes of a speedy reassembling of the Paris Conference begin to be shaken. The resistance is said to come from the English Government, whose views seem to prevail.

GREAT BRITAIN.

Parliament has been further prorogued till December 16.

The citizens of Dublin gave a banquet on Wednesday, the 22d ult., to nearly 4,000 troops who served in the Crimea. The Mayor of Dublin presided, supported by Lord-Lieutenant Cardale, Lords Gough, Talbot, and many other gentlemen. The City of Edinburgh will give a similar banquet on the 31st ult.

Mr. John Arrowsmith, cotton broker, of Liverpool, avows himself the author of the story, in the London Times, of "Dues and Murders in a Georgia Railway Car," and reiterates the truth of his statement. The affair is incomprehensible, and excites much curiosity.

The schooner Prince of Wales, which was taken by the schooner Richmond, was offered at auction at Liverpool, and the reserved price was £3,000. Only £2,300 being bid, she was withdrawn.

Aurelia Saffi, a Roman Triumvir, has been engaged by the Italian Emancipation Committee to lecture throughout Great Britain to stir up enthusiasm for Italy.

Mrs. Mary F. Stowe, sister of Cyrus W. Field, coadjutor of New-York, died at Paris on Wednesday, the 22d ult.

FRANCE.

French correspondence gives prominence to accounts of the Imperial gaudies at Compiègne, where the Emperor is enjoying hunting by day and fancy balls by night, in the style and costume of Louis XIV.

Numerous arrests have recently taken place in the Department of the Deux Sevres, where a secret society of a dangerous description has been discovered. The society was organized by tens and hundreds, all trained to obey orders for the destruction of the Emperor.

Spain.

Accounts from Madrid speak of a new ministerial crisis, the object being to throw Narvaez overboard, and reelect the Absolutists. The Marquis of Villana, the head of the Absolutist party, is spoken of as the coming man, but he, in the meantime, declines the responsibility.

It is said that O'Donnell is put in command of the Household Guard as a check upon Narvaez. Count Benckendorf, the Russian Envoy, has had a successful reception from the Queen.

A daughter has been born to the Duchess of Montpensier.

ITALY.

The Grand Duke of Tuscany, taking alarm at the demonstration against Naples, appears disposed to grant some concessions to his people, by reviving, with some modifications, the Constitution of 1848.

The Paris Correspondent asserts as if from a sure source, that in consequence of the negotiations between Austria and Rome, the Austrians are about to withdraw, and will retain only two points, Ancona and Bologna.

A treaty has been concluded between Prussia and Naples, placing the ships of the latter, in Russian ports, on the footing of the most highly-favored nations.

SWITZERLAND.

The Neuchâtel prisoners have been dismissed. The Federal Government is making an effort to be represented in the Congress of Paris.

TURKEY.

The Sultan has sent orders to Redschid Pasha to form a new ministry. Redschid declines under the plea that the questions under deliberation just now would undergo a sudden change.

The real cause was a difference of opinion with the French Minister respecting the union of the Principality of Montenegro.

An attempt had been made to induce Mustafa Pasha to take office, but he refused.

A dispatch from Constantinople says that Gen. Guvion had died of cholera.

The Presidential election does not seem to have broken down the Fremonters. On all sides they seem to be coming forward with a determination to begin, and as the work of preparing for the contest is begun, and as a spontaneous impulse, under the same standard-bearers. The Club of the Twentieth Ward tonight at Constitution Hall, and the Rocky Mountain men of the Fifteenth Ward invite their friends to a meeting at Academy Hall, on Broadway, opposite Bond street, where Mr. David Dudley Field will address the public. They anticipate one of the largest meetings they have ever had.
